Fisheries Minister Gail Shea has announced the appointment of Mrs. Lina Condo, Mr. Lewis Creed, Dr. Bruce Hatcher, Mr. Michael O'Connor and Mr. Derek Butler, as well as the re-appointment of Mr. Donald Walker as members to the Fisheries Resource Conservation Council (FRCC).

The FRCC recently began a new study of the Atlantic Canada groundfish fishery. It has been asked by the Minister to provide advice to support management of a successful, sustainable and enduring fishery. Guided by Fisheries and Oceans Canada's Sustainable Fisheries Framework, the FRCC is examining the current state of these resources, and considering the conditions necessary to achieve and maintain a sustainable groundfish fishery.
