

Coalition urges FDA to not approve Frankenfish proposal

Written by Administrator

Sunday, 05 September 2010 19:26

A [coalition of 31 consumer, animal welfare and environmental groups, along with commercial and recreational fisheries associations and food retailers](#) has submitted a joint statement criticizing an announcement this week by the U.S. Food and Drug Administration (FDA) that it will potentially approve the long-shelved AquAdvantage transgenic salmon as the first genetically engineered (GE) animal intended for human consumption. Statement and list of groups [here](#)
